The worksheet is designed for a creative writing exercise. It contains four pairs of characters, each pair connected by a large, empty speech bubble. The characters are:

- Pair 1:** A mouse on the left and a wizard on the right. The wizard is wearing a pointed hat and a long robe, and is holding a wand. There are musical notes floating around him.
- Pair 2:** A simple line drawing of a boy on the left and a teacher on the right. The teacher is standing next to a whiteboard that has a simple addition problem written on it: $1 + 2 = 3$.
- Pair 3:** An ant on the left and an elephant on the right.
- Pair 4:** A firefighter on the left, wearing a helmet and holding a hose, and a policeman on the right, wearing a uniform and a cap, standing next to a traffic light.
